

About QNADA

QNADA is committed to supporting our member agencies to deliver high quality services to individuals, families, and communities affected by alcohol and other drugs. The services provided to our member agencies are evolving as we grow. We actively engage and support staff at all levels of each member agency, recognising that it is every part of an organisation that contributes to the high quality of services provided.

The following principles guide the work of QNADA:

- Representation-** effective AOD policy and system improvement is informed by frontline services;
- Quality-** effective services require a skilled and supported workforce, delivering services informed by the evidence on what works;
- Accountable-** genuine engagement and process transparency is required to build consensus;
- Collaboration-** addressing AOD issues requires partnerships and linkages within and across sectors.

Benefits of Membership

As a member of QNADA you receive free access to, support with, and training in using CADDs, a free online portal for collecting the alcohol and other drug treatment national minimum data set (AODTS-NMDS).

QNADA also facilitates the sharing of information and best-practice through regular forums, workshops, and events on key sector issues; a monthly member-focused newsletter; and access to up-to-date information.

Ordinary Membership is open to non government organisations, whose primary purpose is to reduce the alcohol and drug related harm to individuals, families, and the community. Ordinary members are entitled to vote at the Annual General Meeting.

Associate Membership is open to non government organisations who may have a primary purpose other than reducing alcohol and drug related harm, but are nonetheless involved in some way in the reduction of alcohol and drug related harm to individuals, families, and the community. Associate members are encouraged to attend the Annual General Meeting to provide input into discussions as non-voting delegates.

Membership Process

- Your organisation's application will be considered by the QNADA Board at its next bi-monthly meeting;
- Once a decision is made, your organisation will be contacted. If approved, your organisation will also receive a tax invoice for your membership fee (pro-rated for the remainder of the financial year) and a Member Kit;
- Membership is renewed on an annual basis (July).
